SECOM-D-149

MEMORANDUM FOR: Director of Security

FROM:

SUBJECT: Security Orientation for Senior Officials

1. Per your suggestion the slide/tape presentation, Security Orientation for Senior Officials, has been modified to eliminate the APEX portion of the briefing. This amounted to deleting four slides and doing a cut and splice job on the tape. The results are fine and you cannot even tell that a portion was excised.

2. I have furnished the new version of the tape to the Chief, Security Education Group with instructions on how to use it with the slides previously furnished to him.
